South Asian Heritage Month

South Asian Heritage Month (SAHM) first took place in 2020 and runs from the 18 July to 17 August each year. SAHM seeks to commemorate, mark and celebrate South Asian cultures, histories, and communities. The month seeks to understand the diverse heritage and cultures that continue to link the UK with South Asia.

The SAHM theme for 2025 is: 'Roots to Routes' ...exploring the rich journey of growth, and the evolving connections we make through generations. Each of us carries a unique story shaped by our roots and the routes travelled to get to where we are. This year, the invitation is to reflect on your journey, whether from ancestral origins to the paths you've taken, or something much more recent, and how these experiences shape your identity today.

Find out more at <https://southasianheritage.org.uk/>

Join us for a screening of Jamil Dehlavi's 1980 Pakistani film, 'The Blood of Hussain': a dramatic depiction of the life of Hussain, with allegorical references to the history of the Prophet Muhammad and his descendants. It is prophesied that Young Hussain will one day lead the impoverished masses to a better life. It is his brother, Hasan, however who gains in prominence and when the government is overthrown in a military coup, he tries to adapt. Hussain in the meanwhile gets married and leads a small band of rebels in an attempt to fight the military dictatorship. Certificate 15

DAYTIMERS

Join artist Meera Shakti Osborne in an interactive workshop to map our local South Asian resistance histories in the borough of Haringey and beyond.

In the workshop we'll discover archival photos of the Asian youth movement, the space they had by Ducketts Common and in Bruce Grove and also photos from Asia Centre in the shopping centre.

Meera will then guide us to how we can make some collages/zines thinking about this history and how it relates to now.

The Summer Reading Challenge is a free holiday activity for children.

It's all about reading for fun, aiming to improve children's reading skills and confidence. The Challenge launches Saturday 5 July and runs throughout the summer holidays, and all children aged 4-11 are welcome to take part.

Children can read anything they like and collect free rewards for their reading.

This year's Challenge theme, Story Garden, is an enchanting take on nature and the great outdoors. Through reading, children will uncover magical creatures, vibrant plants, and enchanting landscapes brought to life by award-winning illustrator Dapo Adeola. Libraries will be transformed into immersive gardens of adventure where children's imaginations can flourish, supported by free activities and resources.

You can sign up at your local library and take part. A librarian will give you a special collector folder and help you find books to read. You'll collect special stickers and rewards for your reading.

CATHERINE BRUTON

Catherine Bruton is the multi-award-winning author of 'Bird Boy', among other books. Her stories tackle some of the big issues faced by young people today – terrorism, immigration, the cult of celebrity, the refugee crisis – in ways that are heart-breaking, often hilarious, but invariably hopeful. As her alter-ego Cate Shearwater, she is also the author of the much-loved Somersaults and Dreams series.

The book group with no preparation required: Shared Reading groups are open to all and free to attend.

A group of people, one of them a trained Reader Leader, reads a great novel, short story or poem aloud. We stop and talk about what we have read. There is no need for group members to read aloud or speak – it's fine to just listen. The idea is to create a space where people feel at ease.

Reading the literature aloud in real-time, means that everyone is involved in a shared, live experience. Group members are encouraged by the Reader Leader to respond personally, sharing feelings, thoughts and memories provoked by the reading.

If you did not receive this email directly from the Home Office, it may not be possible to create your account or view your eVisa yet.

Dear Sir/Madam,

We have previously contacted you to take action to create a UKVI account and access your eVisa.

To do this, go to <https://www.gov.uk/get-access-evisa> to get access to your eVisa.

Your biometric residence permit (BRP) will expire on 31 December 2024. To prove your immigration status after this date you will need to replace your BRP with an eVisa, which is free and easy to do. The expiration of your BRP card does not affect your immigration status.

**E-mail from Home Office about
eVisa & UKVI account?**
