The Summer Reading Challenge is a FREE holiday activity for children. It's all about reading for fun, aiming to improve children's reading skills and confidence. The Challenge runs every year throughout the summer holidays, and all children aged 4-11 are welcome to take part.

Children can read anything they like (really - anything!) and collect free rewards for their reading.

This year's Summer Reading Challenge theme is 'Marvellous Makers'. The Reading Agency have teamed up with Create, a leading charity bringing the creative arts to those who need it most, to sprinkle magic on kids' minds, sparking stories and creativity through the wonders of reading: dive into new tales and unleash your inner artist with a wide range of arts & crafts workshops.

The challenge encourages children to read six library books between 6 July and 7 September 2024 - with a smaller Mini Challenge for pre-school children. When children join, they will receive an activity pack and earn stickers and gifts as they progress through the challenge. Children that complete the challenge will receive a certificate and medal (medals for Core Challenge only, not for Mini Challenge). Speak to your local friendly librarian for more details and to sign up!

In addition to the nationwide rewards mentioned above, children who complete the Core Challenge across Haringey Libraries will be entered into a prize draw to win one of eight booklights, and one of three electronic-dictionary bookmarks and tablets. Completers of the Mini Challenge will be entered into a draw to win £10 book vouchers.

Boost your child's confidence and reading skills with this initiative: last year, 72% of children taking part felt more confident reading. Taking part in the Summer Reading Challenge has shown to better prepare children for the new school year, and to build confidence and self-esteem by fostering their reading for pleasure.

East & South East Asian Heritage Month

This September is East & South East Asian Heritage Month - a vibrant and meaningful celebration from Britain's East and South East Asian Network (besea.n), currently in its fourth year. It's a time dedicated to honouring the rich cultural tapestry and historical contributions of East and South East Asian communities. The month-long observance is marked by a variety of events, which serve not only to educate and inform but also to foster a greater sense of unity and appreciation for the diversity within the ESEA communities. By highlighting the achievements and experiences of ESEA individuals and groups, the Heritage Month aims to promote understanding, respect, and collaboration among all members of society. It's a forward-looking initiative that not only reflects on the past but also sets a positive trajectory for the future, celebrating the dynamic and evolving identities of the ESEA communities.

Ultimately, ESEA Heritage Month will be a celebration of ESEA communities - their cultures, their histories and their futures.

This year's theme – "Changing Seasons" – offers a reflection on the cyclical nature of life. Just as the seasons transition, so too do the experiences, cultures, and identities within the ESEA communities and beyond. From the tangible shifts in weather to the evolving cultural zeitgeist, this theme encapsulates the collective journey towards new beginnings and growth.

Maintenance Work at Hornsey Library

The adults' section of Hornsey Library is partially open after Haringey Council implemented stringent and comprehensive measures for residents to access this area safely and securely. Back in March, the council announced that the adults' section would remain closed while works continued to address issues around the presence of Reinforced Autoclaved Aerated Concrete (RAAC) in a section of the roof. Other parts of the library do not contain RAAC and are not impacted.

The safety of library users has been – and will always be – the number one priority and it has naturally taken some time to ensure that all the necessary precautions are in place so that no members of the public or library staff are put at risk. These safety measures on-site remain a temporary solution while the council develops comprehensive plans for the removal of RAAC. Despite the partial re-opening of the adults' section, there remains limited access to PCs at Hornsey Library.

Stroud Green and Harringay Library (Quernmore Road, N4 4QR) remains open as usual nearby and library services can still be accessed online at: libraries.haringey.gov.uk. A further update to residents regarding the timeframe for this removal will be provided as soon as possible.
