## **Bonfire Night**

Bonfire Night, or Guy Fawkes Night, is celebrated on 5 November across the UK. It marks the failed Gunpowder Plot of 1605, when Guy Fawkes and others tried to blow up Parliament.

Following the plot's failure, King James I declared 5 November a day of thanksgiving for the survival of the King and Parliament. The celebration has evolved from a religious and political observance into a widespread, public celebration of national survival and a day for communities to come together.

## Remembrance Day

Remembrance Day, also known as Armistice Day, is observed on 11 November each year to honour and remember those who have died in military service, particularly in the First and Second World Wars

The date marks the armistice signed on 11 November, 1918, which ended fighting in World War I. The first Remembrance Day was held in 1919, one year after the war ended.

Traditionally a two minute silence is held at 11.00am on the 11th day of the 11th month to reflect on the sacrifices made; and people wear red poppies as a symbol of remembrance, inspired by John McCrae's poem, 'In Flanders Fields'.

### Remembrance Day Poppy Craft Hornsey Library Tuesday 11 November 3.30-4.30pm

On Remembrance Day everyone in Britain is asked to remember the sacrifices made by others during times of war. The poppy is an iconic symbol that represents sleep, peace, and death. The symbolism dates back to Roman and Greek mythology. In our context, we use the poppy as a memorial flower to remember and honour the fallen souls of war.

Come along and make a beautiful poppy and display it on our Remembrance Day Board.

November's Library of the Month is Marcus Garvey Library!

Marcus Garvey Library is named after the civil rights activist to mark what would have been his 100th birthday. The library contains his sculpted bust where beneath it is the library's foundation stone, which was laid in 1987 by his son Marcus Garvey Junior. In addition, it also houses an extensive collection of Marcus Garvey's literary works written by him and others as well as his portraits.

Marcus Garvey hosts regular events for adults and children, including film showings, early years activities, and book readings by local and bestselling authors.

#### Maintenance Work at Hornsey Library

The adults' section of Hornsey Library is partially open after Haringey Council implemented stringent and comprehensive measures for residents to access this area safely and securely.

Back in March, the council announced that the adults' section would remain closed while works continued to address issues around the presence of Reinforced Autoclaved Aerated Concrete (RAAC) in a section of the roof. Other parts of the library do not contain RAAC and are not impacted.

The safety of library users has been – and will always be – the number one priority and it has naturally taken some time to ensure that all the necessary precautions are in place so that no members of the public or library staff are put at risk. These safety measures on-site remain a temporary solution while the council develops comprehensive plans for the removal of RAAC.

Despite the partial re-opening of the adults' section, there remains limited access to PCs at Hornsey Library.
